Dear Nick

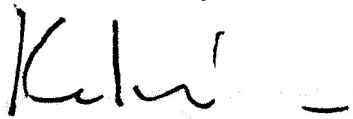

Whitchurch Parish Hall

Thank you for various papers received over the summer. I am sorry not to have replied directly over these weeks. I know Michael Palmer will have spoken to you after my conversation with him last month.

We acknowledge the progress that has been made in recent months at the Parish Hall and I can confirm that we, the Administrative Trustees, are now interested in negotiating the sale of the property. We are minded to appoint a representative to negotiate with you on an acceptable price should that continue to be your wish.

Success in this instance would mean that our charity will for the first time in many years be able to work towards its objectives and that yours will have clarity about the future of the Hall.

Yours sincerely

Kelvin Inglis
